## FOREWORD

It is with pleasure we hand you our annual catalog. Practically every Dahlia listed here is so well known throughout the Dahlia world that lengthy descriptions are unnecessary, so we have made them brief. Our orders are filled with field grown roots only and we guarantee our stock and service to be fully equal to that in the past. Thanking you for past favors and hoping for the continuance of same, we are.

Yours very truly,

## NOVELTIES

**CHARLES L. MASTICK (FD).** Winner of first as best undisseminated Dahlia in Portland in 1934 and the Achievement Medal in 1935 in the shows of the Portland Dahlia Society, Oregon. It has been grown four years and has never been propagated. A seedling of Jane Cowl, it has attracted attention from its first blossom and was admired by all. "The color is a rich, bright orange, deepening to a darker orange at the center. The reverse is grenadine pink; and due to the unusual form of the Dahlia, in which the edges of the petals have a tendency to incurve, the bright color on the reverse gives a very live appearance to the globular-shaped flower." The above description is from the pen of Mr. Derrill W. Hart.

Strong, vigorous plants hold the immense blooms well aloft on cane-like stems and are a mass of bloom from mid-season to frost. Should be grown to four canes and freely disbudded for best results..... \$20.00

**MARIE DRESSLER (FD).** Introduced by The Vernon Floral Company in 1934, it was withdrawn from circulation at the end of its first season and will make its appearance this year as a practically new Dahlia. A strong, hardy grower of the most exquisite shade of pomegranate red, it resembles its parent, Jersey's Beauty, in every particular except in color and it is larger. It is always the center of attraction whenever shown, and won for us at the Portland Show, a blue ribbon for the best red Formal Decorative.

\$10.00

**AUDREY AMES (FD). (Ames-Tyler).** We are introducers, on this Coast, of this new color sensation. An immense pure old rose, nothing like it in color. Stem perfect and form all that could be desired, with florets curving back to stem. Generous bloomer on healthy, medium height bush. Winner of Blue Ribbon in Air Mail Section 1934 A. D. S. Exhibit at Hotel Pennsylvania in New York.....\$10.00
